Summer Camp FAQ

How much is the camp? Camp registration is $250.00. Payment is due when you submit your registration and is available online only with debit or credit card. The form must be filled out entirely for registration to be complete.

Are there scholarships? Limited scholarships have been provided by the Morrison Center Endowment Foundation and Volunteer Organization and generous donors to make sure that all children in financial need have the opportunity to participate in the Summer Performance Camp. A minimum requirement of $100.00 per student is requested to cover materials needed for camp. These forms will be available online when filling out the application.

May we sign up for multiple weeks? Due to the popularity of the camps, we must limit participation to one week per child.

Does my child have to attend everyday? Yes. It is very important to the final production that students attend daily. It is a performance camp and because of that they learn and rehearse their parts on a daily basis. If a student misses even one day, it could prevent them from fully learning their part. In order for the show to be complete and enjoyable for all, it is important to have everyone in attendance. If for any reason you know in advance that you will not be able to commit for the full week, please register for a week that you can be fully committed.

When can we purchase tickets? Tickets are included in the registration fee and will be available closer to the actual performance. Information will be sent to the email address provided on the registration form.

How many tickets can we get to the performances? Tickets are limited. In order to accommodate all of the participating children and their families, we have a total limit of 5 tickets per child registered with a maximum of 3 tickets to any single performance. Remaining tickets will be released Thursday morning on a first-come, first-served basis.

Is there ADA seating available? Yes, when you pick up your tickets please inform the staff if you need accessible seating arrangements.

Can I drop my child off early or pick him/her up late? THERE IS NO PRE OR POST CAMP CHILD-CARE AVAILABLE. Please do not drop off your student earlier than 15 minutes before camp starts. There is no supervision at that time.

Can I authorize another parent or friend to pick up my child? Yes, there will be an authorization form emailed a few days before camp starts. Only authorized adults will be allowed to pick up students. Parents, guardians or other authorized people MUST sign the student out daily at the designated area. Please advise the person picking up to have ID ready.

Is there preparation to be done at home? Additional memorization at home is sometimes required after roles have been assigned, especially for the older children and lead roles.

What are the daily activities? Students are assigned rehearsals and class-work in their appropriate groups and are supervised. Students will experience a mix of theatre warm-ups, music rehearsals, choreography sessions, technique intensives and stagecraft classes in preparation for their two performances.
