

FINE ARTS CONSTRUCTION

Beginning May 2017

Portions of the West Reserve Towers parking lot will permanently close May 2017 for the construction of the new Center for Fine Arts, slated to open fall 2019.

In addition to spaces removed for the building, some parking spaces will be temporarily off-line for construction and staging.

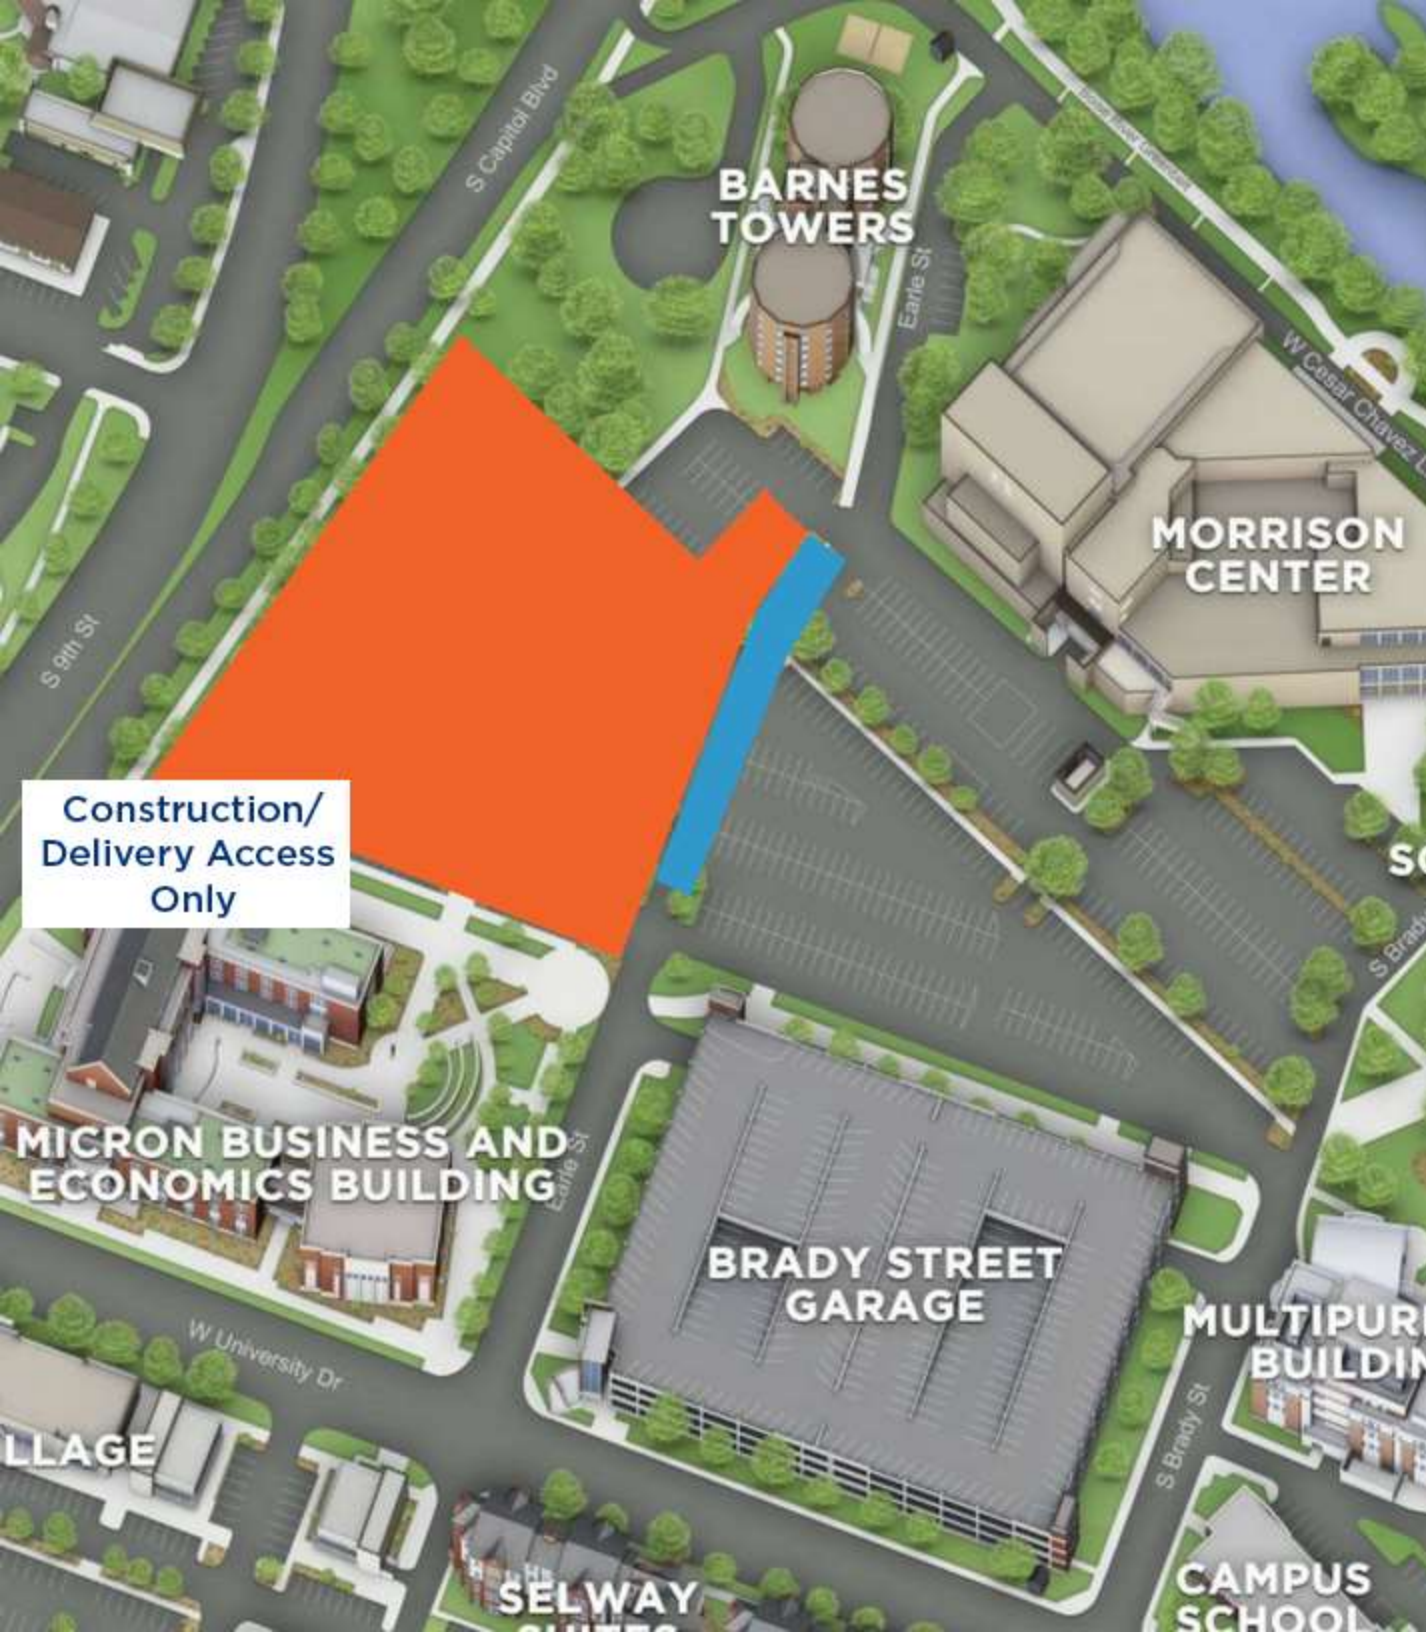

Construction will occasionally affect parking and traffic which will be accompanied with appropriate communications and detours.

For more information on the Fine Arts Building, visit operations.boisestate.edu/fine-arts-building/

-  Construction site (closed May 2017-Summer 2019)
-  Additional closure (closed July 1 to mid-August 2017)
