

Morrison Center Volunteers President's Letter

The Morrison Center for Performing Arts is a showpiece of the Treasure Valley and ranked nationally among University venues. As volunteers that staff the center, we are dedicated to providing each guest with an outstanding experience. As one of the highly ranked states within the volunteering communities, Idaho has a wide range of places to volunteer. We are very grateful our volunteers choose the Morrison Center, make the Performing Arts a priority, and have given thousands of hours of their priceless time.

The Morrison Center volunteers have been contributing to the patron's enjoyment of the shows since the Performing Arts Center was established in 1984. Each show at the Morrison Center is staffed by our volunteers who: direct patrons to their seats, staff the gift shop, help with hearing assist, scan tickets, and greet patrons at the doors.

When we open again for the 2021 – 2022 season it will be a busy one with Philharmonic concerts, Broadway Season musicals, Ballet Idaho productions, BSU music performances, various concerts, dance productions, and Music Week; to name a few of the many shows for this upcoming season. We will be retraining *all* volunteers regarding the new protocols as well as looking for new volunteers for the 2021-2022 season. We are looking forward to some fabulous shows! New volunteers are always welcome to join our amazing team and work beside our current volunteers to provide the staffing needed for each Morrison Center production, and to make each patron's visit remarkable. Be sure to talk to those you know—be a volunteer ambassador—and invite them to join us serving the community through the Morrison Center.

Thank you for this opportunity to be your Morrison Center Volunteer Presidents for 2020–2022. We look forward to working with you as volunteers, chairmen, and board members. As a team, we can come back strong and make this a spectacular season!

Please, if you have any concerns or suggestions, don't hesitate to contact us or another board member.

Rick & Elaine Grossaint

Presidents, Morrison Center Volunteers
