

Volunteer Orientations and Trainings

New Volunteer orientation is to familiarize new volunteers with their work area, rules and regulations, and emergency procedures. You will purchase your uniform, receive your name tag and sign a liability waiver following new volunteer orientation.

Volunteer reorientation is held every two years to keep volunteers up to date on volunteer responsibilities.

Gift Shop and Hearing Assistance/Coat Check provide additional job-specific training for their volunteers

Orientation and reorientation are REQUIRED for all members. If not completed, then you will NOT be scheduled to work.
